FROM GEOFFREY'S DESK . . .

Let me begin by sending out a huge thank you and a job well done to all of the participants in this past Sunday's youth-led service. I was sorry not to have been here, but I was able to watch online, and I am thankful that everything is archived on our YouTube channel. I appreciate **Cyler Middleton** being willing to bring the lesson of the morning. He did a great job, and I know you were blessed by what he had to say.

One reason that I was not here is because **Joanna** and I were traveling to North Carolina. In

addition to seeing a number of friends, I was able to be at *Carolina Bible Camp* as they unveiled a new amphitheater on the campsite. That camp has been ministering to young people in the state for 66 years now, and I am always thankful for the time I get to spend there.

We are now just a week and a half away from two major events here. On **Saturday, April 27**, *Walk4Water* will take place at Liberty Park. The activities kick off **a little before ten**, and you can scroll down for more details. **The next day, April 28**, we will be celebrating 10 years at this location as the *Church of Christ at Trenton Crossing*. Thank you for the photos that many of you submitted. They will be part of a special retrospective slide show that morning. In addition, we will conclude our time together with a church-wide potluck. I hope you are making plans about what you will bring. And in addition to food, why not invite someone else along to be your guest for the morning as we celebrate this landmark.
